**Dear Friends,**

**You received from S(A)MO for project number 04/125 on 19<sup>th</sup> of November 2004 an advanced payment of NIS.25.000. According to information received by us, you transferred this amount to a third party, which later dissolved itself and according to Mr. Nathan Barzilay, part of this sum was returned to you.**

**We kindly request to inform us by return the expenses made for this project with a specification of the payments including the receipts accompanied by an accountants statement.**

**Furthermore, according to information received from the JMW this project is being or was carried out with all expenses paid by them.**

**So please explain.**

Your early reply will be much appreciated.

With kind regards,

Avraham Roet
