Subject: SRJO

Hello to all,

As you remember, on the 18th of this month we gathered and you decided on closing SRJO as well as nominated me as the Mefareket.

The Peruk will start on the 4th of July 2007 (as will my nomination) and after that date SRJO cannot do anything (but pay for the procedure and in the end - give the money left to another Amuta will similar purposes).

The next thing to do is: I have to publish an announcement in 2 daily papers in Hebrew as well as in the official government publish - called Rashumot.

The cost of Rashumot is 72 NIS and the cost of the daily papers (Ha'arets and Ha'zofe which are the cheapest) is 553 NIS.

I am sending you the announcement, which is according to Rasham Ha'amutot, and quite regular.

So, Fred, when you have time, please send me a check for 4,090 NIS, which is for both the ads and my fee, dated 4.7.07.

I will keep you all informed as to the next steps.

Have a good week,

Revital Baum, adv.
