Archief Philip Staal

Hello,

I just got off the phone with a Mr. Avraham Ruth (maybe you know him). He saw our ad in the paper and wanted to let me know the Amuta got money (150,000 NIS?) and he is not sure you spend it right. He said he'll write and ask for information, and I told him that I'm not sure he is entitled for info from ME (only from the Rahsham Amutot), but if he has information, I'll check it. He said he doesn't know you Amuta, and asked for your names, and I didn't see any problem telling him the names. Then he said he knows Fred and Philip to be very honest (and I agreed !!). Just to let you know. If he sends anything - I'll let you know and we'll talk. I do not plan of giving him ANY information, unless he shows me he is entitled for it by law. I know that the only one I have to inform is Rasham Ha'amutot and that's my basic start-out plan-of-work.

That's it for now,

I'll keep you posted,

Revital Baum, adv.
