Hello to all,

Well, the time has come to finish things up !!

Fred - you a a green light on getting the accountant's final financial report on srjo (for the years 2006-2007). When that's ready - we'll meet in my office to sign the final protocol of the Amuta. Please let me know when it's ready.

Zvi - I didn't get the details of the other Amuta srjo is transferring it's money, and I hope you'll send it asap.

As you all might imagine - I didn't get ANYTHING in writing from Mr. Ruth (or anyone else, for that matter). The final day for that is tomorrow, so "don't lose hope yet" 

That's it. I'm waiting for you guys now to do your stuff.

Thank you,

Revital Baum, adv.  
 Mefareket of SRJO
