Subject: How to get to the Altmann residence, for meeting Feb 2

Archief Philip Staal

If you come from Tel Aviv to Haifa, you drive until you see Maxim Restaurant on your left side beyond the big buildings belonging to Hotel Meridien. At the light turn right into Rechov Etzel. And drive up the mountain for 1-2 km.

Later Etzel becomes Sea Road-Derech HaYam.

Arriving at Mercaz HaCarmel, please continue straight into Rech Elhanan past Bank haBeinleumi on your left and Opticana on your right. All the time straight some 300m, following the meandering Rech Elhanan. You get to a T-crossing at Rech Wedgewood.

Turn left on Wedgewood. Go down 200m until Rotary Square, it has an olive tree. Turn left, Rech Jefeï Nof and look for Parking. We are at nr 126. Sixty steps up, so take a good breath.

We are next to Hotel Ganei Dan at #124, formerly Dvir.

Dvir Hotel

Hope to see you soon,

Fred
